SCHOOL FEES 2021-2022

(Quoted in Thai Baht)

1. Fees upon Admission

These are paid by families upon first entering their children into BISP. An explanation is provided below:

- **Application Fee (paid once; non-refundable): 6,000**
  This covers all costs relating to entrance testing; interviews; processing school reports; administration and registration; all materials and handbooks relating to the school operations.

- (*) **Placement Fee (paid once; non-refundable): 150,000 (per family with a single student)**
  200,000 (per family of more than one student)
  This is payable upon acceptance of school offer and before the child enters the school. The fee is not refunded if a family subsequently does not take up offer.
  (*) Students with first entry to Nursery or Reception will pay 50% of full fee first and pay an additional 50% when they move on to Year 1.

- **Bond (paid once; refundable** – see refund conditions on page 3**): 100,000**
  This acts as a financial security for the school, and is returned upon withdrawal of a student providing all fees have been cleared. This bond goes some way to ensure that the burden of financial default does not impact in any way upon our service to other families.

  Providing all fees have been paid in full, the bond may be used to offset the extra examination costs at IB level in Year 13.
