Dear Parent/Guardian,

The British International School, Phuket is proud to deliver The Duke of Edinburgh's International Award

The Award

The Duke of Edinburgh's International Award is the world's leading youth achievement award, bringing together practical experiences and life skills to equip young people for life. Since it was founded in 1956 by His Royal Highness The Duke of Edinburgh (husband to Queen Elizabeth II of the United Kingdom), over eight million young people have participated in the Award in over 140 countries and territories. Schools, colleges, universities, employers, social clubs, youth organisations such as the Scouts, Girl Scouts and Girl Guides, young offenders' institutions, religious organisations, sports clubs and more all run the Award. BISP is proud to offer the Award to young people in Year 10-13.

What is involved?

The Award is voluntary, non-competitive, enjoyable and balanced, and requires effort over time. There are three levels to the Award: Bronze, Silver and Gold. Young people design their own Award programme, set their own goals and record their own progress. They choose a Service, Physical Recreation, Skills activity, go on an Adventurous Journey and, to achieve a Gold Award, take part in a residential project. The only person they compete against is themselves, by challenging their own beliefs about what they can achieve. They will be supported throughout by their award leader, but it is a self-driven process which requires the young person to self-manage and commit the required time and effort.

The award at BISP

- Silver Year 11
 - Lead by Mr Jones
 - Dinghy Sailing Journey
 - Training Weekend, 2 day Practice Journey and 3 day Qualifying Journey
 - Costs 30,000thb per person

- Gold Year 12/13
 - Lead by Mr. Catts
 - Yacht Sailing
 - Team building day, Training weekend, Practice, Final Journey
 - All trips done in year 12. minimum of 8 students.
 - 40,000thb per person

Students are eligible to join the award even if they have missed the previous levels although this does increase the amount of time involved before completion is possible.

Further information

More information on The Duke of Edinburgh's International Award can be found at www.intaward.org. You can also connect with [the Award on Facebook](#), [Twitter](#) and on [YouTube](#).

We will hold an information session for students interested in the program in the first two weeks of the school year.
